

More than a webinar.

A fully branded virtual venue your audience walks into.

Aula Events looks and feels like **your** event, not a generic platform template: your own stages, networking tables where people meet, and booths for your exhibitors. No in-house event team needed: we set it up and stay on call from start to finish, stress-free. Built for corporates, businesses, coaches, nonprofits, creators and communities.

THE FORMAT

Broadcast

Clean, secure, view-only. AGMs, webinars, conferences.

Summit

Networking tables, exhibitor booths, cameras on. Summits, trade shows, community events.

THE PRODUCTION

Bring your own

Send your own stream, or your local AV crew, straight into the venue.

Use our team

We produce it in-house: international speakers, live panels, shared presentations, media and live graphics, mixed live, plus a private speaker green room.

EXAMPLES & PRICING

EXAMPLE	SCOPE	VENUE FROM
Branded webinar	broadcast · half-day · up to 300 guests	~€1,200
Summit	full-day · 150 guests · networking + 5 booths	~€3,000

Registration and recordings handled; guests join by secure invite, no downloads.

SELECTED WORK

- **Finnish presidential candidate stream**
Multi-camera virtual stream with panel discussion.
- **Investor event**
Multiple speakers, live graphics.
- **Virtual events for associations**
Panels and member sessions.

REVENUE-SHARE OPTION

Built for creators and communities. Bring your audience, we run the branded venue and stream, and we share the ticket revenue. Invite exhibitors to sell and connect with your audience, opening up more sponsorship and partnership opportunities.
